

SOLUTIONS SEALERS

SILACRYL Matt Look is a high performance solvent based sealer, designed to beautify and protect masonry surfaces. Only quality acrylic resins are used in the manufacture of SILACRYL to guarantee durability, UV. Protection, and consistent gloss levels. SILACRYL is widely regarded as one of the best slate sealing products on the market.

FEATURES

- Suitable for internal and external use
- Gives a matt look which enhances the natural colours of surfaces like slate and sandstone
- Seals against food, soils, grease, oil, etc., and inhibits staining.
- Seals lime dust into concrete to prevent leaching and a constant need for sweeping.
- Also available in a gloss/wet look.
- Is easy to reseal without stripping.
- Does not yellow externally.
- Australian owned and manufactured
